

# WellstarHealth Place

## Learn to Swim – Group Lessons Parent Agreement Form

1. **Attendance:** Please be on time for your child's lesson. Pool safety and other water-related safety issues are discussed at the beginning of every lesson. There are NO makeup classes if you miss a lesson. Due to student/teacher ratios, no child will be allowed to attend a class they are not scheduled for. No exceptions. Makeup classes are scheduled only if Health Place cancels a class (i.e. weather or fecal/vomit issue) at the discretion of the Aquatics Supervisor.
2. **Parents:** Parents MUST remain in the lobby area during the child's lesson. We ask that parents do not come into the pool area unless asked by the instructor. Please do not exercise, swim, or use the indoor track during this time. Observing a lesson from the indoor track is not permitted.
3. **Unisex Bathrooms:** Parents bringing children of the opposite sex over 5 years old MUST use the unisex restrooms and are not allowed in the locker rooms. Please ask the front desk for unisex restroom locations.
4. **Inclement weather:** Learn to Swim classes will generally follow the Cobb County School District with regards to inclement weather. In the event of school closings, there will be NO classes. The pool closes for thunder/lightning. The first class that is cancelled due to bad weather is offered a Red Cross safety video for education. Any classes after that, there will be makeup lessons.
5. **Cancellation policy:** This class is non-refundable. Only cancellations received at least 7 days prior to the start of the first class will be issued a voucher. Vouchers are applicable toward another swim session and expire 1 year from the date of issue. Vouchers must be returned as payment and submitted with your class registration.
6. **Parking:** Parking is available in the employee parking deck on the bottom level reserved for Health Place participants. If the gate is down, press the button for security to allow you in. SATURDAYS ONLY: Parking is available at Building 522, the Cancer Research and Clinical Trial building. Your car will be towed if you park there any other times.
